Yours is a precious and fragile world. Each year finds it more threatened by man's mismanagement. May you learn through your experiences here in FHS how best to take care of it. Remember, there is nothing new under the sun, just new eyes to see it and new ways of doing. We all come full circle sooner or later and must face our destiny, "dust to dust". Try to be wise, and to do the very best you can.

Cheer Queen

Whistles stop blowing, balls stop bouncing, the Pep Band grows softer, and cheerleaders put away their pompons . . . their megaphones . . . their uniforms. As this year comes to a close and the doors of cheerleading shut slowly behind me, never again to be reopened, I'd like to thank Firth High for the support they have given us as a group. I'd like to thank the other seven cheerleaders who gave so much time and so many ideas, but mostly they gave all they had to make this the best year ever for themselves and for YOU!

Feelings

"FEELINGS"

Feelings, nothing more than feelings,
Trying to forget my feelings of love.
Teardrops, rolling down on my face,
Feelings, for all my life I'll feel it,
I wish I'd never met you girl,
You'll never come again.
Feelings, wo, wo, wo feelings, wo, wo, wo
Feel you again in my arms,
Feelings, like I've never lost you,
And feelings, like I'll never have you,
Again in my heart.
Feelings, for all my life I'll feel it.
I wish I'd never met you girl,
You'll never come again,
Feelings, wo, wo, wo, feelings, wo, wo, wo,

To every time, there is a season
And purpose under Heaven.
A time to build up,
A time to break down.
A time to laugh,
A time to weep.
A time to speak,
A time to keep silent.
A time to love,
A time to hate.

—Ecclesiastes
